Mountain walks vary enormously, and you and your party leader will decide exactly what you need to carry on the day of the walk. Parties camping out overnight enroute will require extra kit as advised by their Party Leader.

Please also note that the weather can change quite a bit and all event attendees need to be prepared – rain, shine or snow!

If you have any issues with kit or any other questions, then please email hillcraft@graveshamscouts.org.uk or talk to your Party Leader.
